Guests were introduced, namely, Carl Rismiller, (who is now a member) and his friend Rick Root, they both were brought to meeting by Bruce and Ted Klepinger.

Carl informed the group about the show and tell this year at Richmond Indiana T Museum. The show will be opened to any Ford up to 1945. They hope to have a good showing this year.

Election of officers was postponed as not enough members present, Also since Bob Torbet was there to run the Railroad!

No tech session, as Jack had stained his back. Members had good discussion on Model T related topics. Since everyone has Cabin Fever, it was good to get out.

Below picture is a crank pin Jack removed from an engine he is working on. Looks like it has had a full life. Jack said he spent 63¢ on a new one.

I am looking for articles from members of projects they are working on, places they have been with their car, stories about their car, or anything you think the other members might find interesting. What you send me does not have to be print ready. Just a simple e-mail telling the story or supplying the details (with or without pictures) and I'll rewrite it into the newsletter format then send you a proof copy to read before it is published. If you have anything that you feel I could use in the newsletter please email it to naugary@yahoo.com or bring what you have to the next meeting.
