Jack Putman called the meeting to order with 17 members present. The minutes from last meeting were read and the treasurer's report given.

- Jamboree updates.
 - 24 registrations so far
 - T-Shirt design was selected. Light Grey T-Shirt with Black screen.
- Latest DVDs in the "T"-Tips series came in. In the library for checkout.
- May 21st is the club's Spring Shake Down Tour from Bob Torbet's house to Bruce Klepinger's house.
- Forest Ohio "Tree Town Festival" is July 8th. Club receives \$50 if we participate.
- Jack Putnam showed what is involved to pour Babbitt bearings in the block and connecting rods.

The club's website has a Member's Vehicle page. If you would like your car shown, send an electronic version of the picture to Gary Nau (naugary@yahoo.com) or bring the picture to the next meeting.

Remember that this club is dependent on its membership to make it work. Everyone is invited and encouraged to put forward your thoughts and ideas to make this the best Model T club in Ohio.

Respectfully submitted,

Gary Nau – Secretary

I am looking for articles from members of projects they are working on, places they have been with their car, stories about their car, or anything you think the other members might find interesting. What you send me does not have to be print ready. Just a simple e-mail telling the story or supplying the details (with or without pictures) and I'll rewrite it into the newsletter format then send you a proof copy to read before it is published. If you have anything that you feel I could use in the newsletter please email it to naugary@yahoo.com or bring what you have to the next meeting.

Screen design for the T-Shirt

Jack showing the setup to pour babbitt bearings in the block.

Few pictures from the Holley NH Carburetor workshop with Tom Strickling.

A little lecture about the carb.

Disassembly.

Sometimes a little heat is needed to break the rust.

Drilling out the plugs in the passage ways.

A leg up? Tapping the recently drilled holes.

Of course there was lunch.
