On May 13th the club went around Indian Lake for the spring shakedown tour this year. Nine cars made the trip. Six T's, two A's and a Lincoln.

One of the stops was at the "Fun Barn".

And of course, there was food. Outside at the Tilton Hilton.

And a covered bridge to cross.

Thanks to Bob Torbet for setting up the tour.

I am looking for articles from members of projects they are working on, places they have been with their car, stories about their car, or anything you think the other members might find interesting. What you send me does not have to be print ready. Just a simple e-mail telling the story or supplying the details (with or without pictures) and I'll rewrite it into the newsletter format then send you a proof copy to read before it is published. If you have anything that you feel I could use in the newsletter please email it to naugary@yahoo.com or bring what you have to the next meeting.
