Had a discussion about what you do to winterize your T. Put up on jacks for wood spoked wheels. Check anti-freeze or drain. Pull the coils and/or battery if not in climate-controlled building.

Talked about the Mt. Victory tour.

Bruce and Ted Klepinger regaled us with tales of their trip to Australia.

The club's website has an events page with upcoming shows and tours. Known 2018 events have been listed. If you have any others please let Gary Nau know.

The club's website has a Member's Vehicle page. If you would like your car shown, send an electronic version of the picture to Gary Nau (naugary@yahoo.com) or bring the picture to the next meeting.

Remember that this club is dependent on its membership to make it work. Everyone is invited and encouraged to put forward your thoughts and ideas to make this the best Model T club in Ohio.

Respectfully submitted,

Gary Nau – Secretary

I am looking for articles from members of projects they are working on, places they have been with their car, stories about their car, or anything you think the other members might find interesting. What you send me does not have to be print ready. Just a simple e-mail telling the story or supplying the details (with or without pictures) and I'll rewrite it into the newsletter format then send you a proof copy to read before it is published. If you have anything that you feel I could use in the newsletter please email it to naugary@yahoo.com or bring what you have to the next meeting.
