I am looking for articles from members of projects they are working on, places they have been with their car, stories about their car, or anything you think the other members might find interesting. What you send me does not have to be print ready. Just a simple e-mail telling the story or supplying the details (with or without pictures) and I'll rewrite it into the newsletter format then send you a proof copy to read before it is published. If you have anything that you feel I could use in the newsletter, please email it to [naugary@yahoo.com](mailto:naugary@yahoo.com) or bring what you have to the next meeting.
