The July 7th meeting was called to order at Jack Putnam's garage with 10 members attending.

Treasurer's report was given.

Went through the current known shows and tours.

Talked about having a Christmas party this year. With Covid, not sure what options would be available. Looking for ideas.

Bruce Klepinger talked about cleaning out is dad's garage and all the "treasurers" found and the excitement of getting things out of the second floor and down to the ground.

Jack had an after market rear brake for us to look at.

The club's website has a Member's Vehicle page. If you would like your car shown, send an electronic version of the picture to Gary Nau (naugary@yahoo.com) or bring the picture to the next meeting.

Remember that this club is dependent on its membership to make it work. Everyone is invited and encouraged to put forward your thoughts and ideas to make this the best Model T club in Ohio.

Respectfully submitted,

Gary A. Nau – President

I am looking for articles from members of projects they are working on, places they have been with their car, stories about their car, or anything you think the other members might find interesting. What you send me does not have to be print ready. Just a simple e-mail telling the story or supplying the details (with or without pictures) and I'll rewrite it into the newsletter format then send you a proof copy to read before it is published. If you have anything that you feel I could use in the newsletter, please email it to naugary@yahoo.com or bring what you have to the next meeting.
