The October 4th meeting was called to order by President Brett Bowsher with 6 members present.

Discussing about Christmas dinner. Bret Bowsher will make arrangements to have a dinner in Ottawa at either the Red Pig or Henery's for the first Saturday in December (12/3).

Brett Mueller brought several tire jacks which were used to take the weight off the tire for winter storage.

Bret Bowsher had brought a Model A horn motor to see if we could get it to work. No luck on that repair.

A progress report was given by Jack Putnam on the Express Bitsa T he is putting together. Currently a windshield is under construction.

(Thanks Jack, for providing the minutes.)

The club's website has a Member's Vehicle page. If you would like your car shown, send an electronic version of the picture to Gary Nau (naugary@yahoo.com) or bring the picture to the next meeting.

Remember that this club is dependent on its membership to make it work. Everyone is invited and encouraged to put forward your thoughts and ideas to make this the best Model T club in Ohio.

Respectfully submitted,

I am looking for articles from members of projects they are working on, places they have been with their car, stories about their car, or anything you think the other members might find interesting. What you send me does not have to be print ready. Just a simple e-mail telling the story or supplying the details (with or without pictures) and I'll rewrite it into the newsletter format then send you a proof copy to read before it is published. If you have anything that you feel I could use in the newsletter, please email it to naugary@yahoo.com or bring what you have to the next meeting.
