NORTHWEST OHIO MODEL T FORD CLUB

Brett Bowsher, Pres.; Bruce Klepinger, Vice-Pres.; Jack Putnam, Treas.; Gary Nau, Sec.

NEXT MEETING: April 3, 2024 - 7:30pm. at Dave Kirchenbauer's Barn, 227 N. Jefferson St., Van Wert, OH.

The March 6th meeting was called to order at Jack Putnam's garage.

The April meeting will be held at Dave Kirchenbauer's Barn, 227 N. Jefferson St., Van Wert, OH.

Talked about the inside parts of the rear axle. How parts are assembled and how to determine which parts are worn out and need replaced.

Brett Mueller brought a few wheel wrenches which got Jack showing how the Dayton wheel works. He also showed us the Dayton wheel parts that he produces.

The picture is from late 1800's and Jack's grandfather was in on the build of the car.

The club's website has a Member's Vehicle page. If you would like your car shown, send an electronic version of the picture to Gary Nau (naugary@yahoo.com) or bring the picture to the next meeting.

Remember that this club is dependent on its membership to make it work. Everyone is invited and encouraged to put forward your thoughts and ideas to make this the best Model T club in Ohio.

Respectfully submitted,

Gary A. Nau – Secretary

I am looking for articles from members of projects they are working on, places they have been with their car, stories about their car, or anything you think the other members might find interesting. What you send me does not have to be print ready. Just a simple e-mail telling the story or supplying the details (with or without pictures) and I'll rewrite it into the newsletter format then send you a proof copy to read before it is published. If you have anything that you feel I could use in the newsletter, please email it to naugary@yahoo.com or bring what you have to the next meeting.
