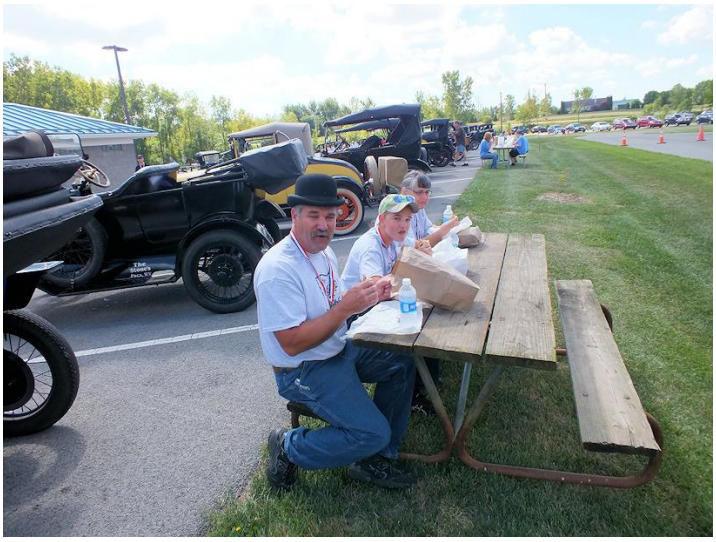
I am looking for articles from members of projects they are working on, places they have been with their car, stories about their car, or anything you think the other members might find interesting. What you send me does not have to be print ready. Just a simple e-mail telling the story or supplying the details (with or without pictures) and I'll rewrite it into the newsletter format then send you a proof copy to read before it is published. If you have anything that you feel I could use in the newsletter please email it to naugary@yahoo.com or bring what you have to the next meeting.

A few pictures from the Jamboree. Friday starts with the Check-In Ladies patiently waiting. That evening was the Ice Cream Social at the Hancock Historical Museum.

Tim Lucius's replica of Henry Ford's sink engine was also at the social. Saturday tour stopped at Bob & Sally Schroeder's for coffee.

Then on to lunch at Mary Jane Thurston State Park Marina in Grand Rapids.



That evening was the auction with Ben Nolting as auctioneer.

Sunday morning started with a breakfast banquet at the Findlay Inn and Conference Center.

Then the drive south to Kenton.

With a stop in Mount Blanchard for coffee.

First stop in Kenton was Brim's Imports and their extensive motorcycle collection.

Followed by a stop at the Hardin County Historical Museum for their collection of cap guns and cast iron toys.

A very successful Jamboree, even if I do say so myself.
